Locations - Crew 9	CMC	CMC	CMC	CMC	Baker Field	CMC	Turquoise Lake	Turquoise Lake

*Staff Roles: (CL) =Crew Leader; (ACL) = Assistant Crew Leader

Rockies Rock Weekly Schedule: Session 2, week 1

Activity Descriptions

Bike: Usually start and end at Huck Finn park or the GOL! Gear Library. Common rides are: Mineral Belt Trail, CMC trails just outside of the gear Library, or nearby dirt roads.

Crew: A crew is together doing a mix of things: environmental science, playing games, free play, nature exploration, art, songs, games, skits, and bead ceremonies to celebrate the 7 Practices of a Learner, and other camper achievements such as graduating from training wheels.

Environmental Education: One curriculum module per week based on Upper Arkansas Valley Environmental Science and Cultural History. Developed by our partner [GARNA](#).

Archery: New this year! We use the [National Archery in the Schools](#) model of archery education. We use compound bows and competition targets on Baker Field.

Hike: Location usually noted. May be half or a whole day. Walking on trails or dirt roads in the nearby mountains.

Fishing - May be with partner organizations such as Colorado Parks and Wildlife. Spincast fishing with lures, bait, and bubble/fly. Campers are allowed to keep fish if they'd like to eat them at home. Staff help campers field dress the fish if they are kept.

Gardening - Join our partner, Cloud City Conservation Center (C4), in learning about gardening edible plants at high altitude, and the positive health and environmental impact of locally grown, fresh foods. The C4 Farm is at the intersection of W 6th St. and Mcwethy Dr. across from Community Field.

Service Learning - Putting compassion and collaboration into action in ways that benefit our community or environment. Practicing environmental and community stewardship.

Climbing Wall - Indoor climbing wall with automatic belay system at Colorado Mountain College's Climax Molybdenum Gym.

Low Ropes Course - A series of team-building challenge games in the forest of Colorado Mountain College's campus.

Canoeing - **New this year!** We partner with 100 Elk Outdoor Center of Buena Vista to offer canoeing at Turquoise Lake.

Crew 9 Explorers - Nature photography and filmmaking. All activities will include the photographing and filming of the activities.

Locations

[Get Outdoors Leadville! Gear Library](#) on CMC's campus - **Check us out and sign up your family to start using bikes, camping equipment, and more!**

[Leadville National Fish Hatchery](#)

[Colorado Mountain College Timberline Campus](#)

[Huck Finn Park](#) - Bike pump track, flat top (ice rink in the winter); we don't use the skate park

[Ball Mountain](#) - One of our favorite local mountains.

[Baker Field](#) - Baseball field, we use for Archery or games

[Leiter Field](#) - Baseball field, we use for games

[Mineral Belt Trail](#) - Paved bike and walking path around Leadville

[Turquoise Lake](#) - Large reservoir west of Leadville with great beaches, water play, fishing, picnic areas, campgrounds, boat ramp and forests

[Pitts Elementary](#) - The building where group 1 meets. There is a good courtyard with trees, grass and access to the interior spaces.

[Evan's Reservoir](#) - A small reservoir on the east side of Leadville.

****Staff and camper crew assignments, locations, activities, and schedules may change without notice due to many factors including, but not limited to: weather, equipment, staff availability, group needs, partner organizations, transportation, and more.****

***Staff Roles: (CL) = Crew Leader; (ACL) = Assistant Crew Leader**
